He is just a little boy

He waits in position with his heart pounding fast.
The ball is won, the pass made and the die is cast.

Mum and Dad can't help him, he stands alone.
A catch, a dive for glory and his team has won.

He tries but the ball slips from his grasp.
A groan from the "Supporters" and a hands in head gasp.

"He should never have been picked" shouts a thoughtless fan.
Tears fill his eyes . . . This game is no longer fun.

Open your hearts and give him a break.
In moments like this a man you can make.

Keep this in your mind and do not forget.
He is just a little boy, and not a man yet.

MATCH REPORT ROUND 2

UNDER 8 NUMBATS

Round 1

Feels like it has taken forever to get to the start of the season with the kids keen to get on the field for their first game. Jarrad's tackling was strong and the boys consistently stopped the opposition from gaining ground. Although the sun was out Field E, it was raining tries for the Numbats. This left us all wondering just how much money Hemi is being paid per try as we think his parents will be heading to the bank to get a loan to pay him out by season end. Well done to Kaea who is our Player of the Day.

Round 2

Another gorgeous early morning out in Butler and a good game against a very skilful opposition. Sam was very strong in defence and Jahziah gained a lot of ground moving the ball toward to the try line but we were taken advantage of every time we didn't lay a firm tackle. Hemi keep the defensive line out wide and the discipline this team showed will hold them in good stead for future games. They even had the umpire commenting what a pleasure it is to watch these kids on the field. Well done to Theo who is our Player of the Day.

UNDER 8 BLACK

Round 2

It looks like an early start to the training has paid off. The Bayswater Black U8 team played an awesome second game against Cottesloe on Saturday with everyone putting their best foot forward. Congratulations to Ryder, who got player of the day last week against Wanneroo and Logan, who received player of the day against Cottesloe.

TEAM SPECTATOR MANAGER(TSM)

There are many roles you can volunteer for at our Club. One important role is the Team Spectator Manager role (TSM). This role is to help create a positive environment without pressure or abuse from the sideline. We need to bring more awareness to spectators, parents, coaches and managers to be a positive role model for all junior players.

All teams will be required to have one or two TSM's for each team. Training will be provided to help you with this role. Contact your Manager and they will help you. If not, message us at tsm@perthrugby.com.au and we will help you.

Good luck with the 2015 season. Let's make Junior Rugby a positive and fun environment for all junior players.

Earning money for your club just got easier

with a Bankwest Home Loan or Business Loan

Take out a Bankwest Home Loan or Business Loan and RugbyWA will pass on a 0.25% commission of your loan's value to support one of two rugby initiatives.

And you get to choose which initiative to support!

- RugbyWA will pass the commission on to your local rugby club; or
- RugbyWA will use the funds towards the development of young players in the Future Force Foundation.

Not only that, we're making banking easier by setting you up with a dedicated Home Loan Specialist who will help you through the application process.

For a \$300,000 home loan, that could be a huge \$750 worth of support
