CANTEEN

As you can see we changed the format of the Canteen Duty Roster. We have 4 Snr home games during School Holidays, instead of assigning these days to specific age groups we assigned it to all age groups. Please either give your name to your team manger if you are able to assist on these days or come and add your name to the roster on the Notice board at the Canteen.

TEAM SPECTATOR MANAGER(TSM)

There are many roles you can volunteer for at our Club. One important role is the Team Spectator Manager role (TSM). This role is to help create a positive environment without pressure or abuse from the sideline. We need to bring more awareness to spectators, parents, coaches and managers to be a positive role model for all junior players.

All teams will be required to have one or two TSM's for each team. Training will be provided to help you with this role. Contact your Manager and they will help you. If not, message us at tsm@perthrugby.com.au and we will help you.

Good luck with the 2015 season. Let's make Junior Rugby a positive and fun environment for all junior players.

Earning money for your club just got easier

with a Bankwest Home Loan or Business Loan

Take out a Bankwest Home Loan or Business Loan and RugbyWA will pass on a 0.25% commission of your loan's value to support one of two rugby initiatives.

And you get to choose which initiative to support!

- › RugbyWA will pass the commission on to your local rugby club; or
- › RugbyWA will use the funds towards the development of young players in the Future Force Foundation.

Not only that, we're making banking easier by setting you up with a dedicated Home Loan Specialist who will help you through the application process.

For a \$300,000 home loan, that could be a huge \$750 worth of support
